

Odor Management Taps New Chief Financial Officer

Barrington, Ill. (March 20, 2006) – OMI Industries [OMI] has appointed Thomas J. Kelly as Chief Financial Officer.

Kelly was the assistant controller for Metal One, a subsidiary of Mitsubishi, based in Rosemont, Ill., for the past 12 years.

He will manage the finance department, acting as liaison to the banking community for the international company based in Barrington, Ill.

Additionally, Kelly will serve as a member of the strategic planning committee of OMI Industries.

OMI is an international manufacturer of odor control solutions for industrial, commercial and consumer markets. OMI is known worldwide for manufacturing Ecosorb® and Fresh Wave® products which are sold in more than 31 countries.

OMI Industries is a privately-held corporation founded in 1989 comprised of industrial, commercial, and consumer divisions. Its international corporate headquarters are in the greater Chicagoland-area at 18-6 E. Dundee Road, Suite 101 in Barrington, Ill., 60010. OMI has manufacturing, warehousing and a research and development facility in South Houston, Texas; Rising Sun, Indiana and Ventura, California, respectively.
