## Kitchen Essentials

The Market proudly presents Kitchen Essentials: a collection of culinary tools, gadgets and "Must Haves" to impress even the most accomplished home chef. Browse these listings, visit their websites and discover how their products will improve daily life in your kitchen.

### Fissler USA

Grill, sear, fry, sauté, steam, braise, AND pressure cook with the Fissler Blue Point Pressure Pan set. The 4.2 qt. skillet is equipped with the patented Novogrill frying surface for oil-less grilling, the energy-saving CookStar all-stove base, and comes with a pressure lid, glass lid, and steamer basket for maximum versatility.

### Perfect Edge Cutlery

Are your expensive knives just not "cutting it?" The Perfect Edge Artisan Knife Sharpening service hones your passion to get the very best performance from your high-end kitchen cutlery. Send us your finest knives, and we will give them a better edge than when they left the factory! Ask the head chef at one of the 8,000 restaurants we service every month, no gourmet kitchen is complete without the *PERFECT EDGE*. We serve multiple locations around the country and offer the ultimate service to you! Just visit our website to arrange service with our ready-to-ship pack.

### Falk Copper Cookware

Handcrafted 2.5mm stainless lined, solid Copper Cookware from Belgium for Serious Cooks. No other cookware conducts heat more efficiently or evenly than Falk. The reason is that copper is a superior conductor of heat, almost twice as conductive as aluminum. Discover the advantages of copper for yourself, exclusively at: [COPPERPANS.COM](http://COPPERPANS.COM)
